WILL ROGERS

Associate

wrogers@furmanacap.com

864 906 0339

Scope of Service Experience

Will focuses on Medical/Office and Early Learning Education investment sales.

Education

Dartmouth College

Background & Experience

A summer 2024 internship with NAI Earle Furman proved pivotal, redirecting me from a pre-med track toward a career in commercial real estate. After graduating from Dartmouth College, I joined the firm full-time, eventually landing with Furman Capital Advisors, where the analytical nature of deal-making felt like a natural fit. Medical offices and early education spaces have become my focus, bringing together my original interest in healthcare with sectors I find compelling.
